

HORSEMANSHIP LEADERSHIP CAMP

Experience of a Lifetime - Building Confidence Through Knowledge!

Leadership skills and effective communication are the cornerstones of being successful in life as well as being successful with horses. One of our main goals of the Horsemanship Leadership Camp is to teach our youth to understand the mentality of the horse learning how the horse thinks and how they react. We believe that by developing confidence and instilling honor and respect for our fellow man can best be accomplished by instilling the same confidence, honor and respect with the horse.

During this amazing week at camp, your child will be engaged in many ranch activities including horsemanship instruction, fly fishing, teepee camping, cattle driving and handling various responsibilities related to ranch life. Our qualified counselors, instructors and special guest speakers ensure a memorable week of education and development for our future leaders.

Demonstrations and instruction from world renowned horseman, Chris Cox, will be a daily event. Chris will personally head up the direction of the entire week for our future leaders of America.

We believe in our youth! We also believe the horse is a great vessel for the development of their future.

We hope to see your son, daughter or sponsored youth this summer at the Triangle C Ranch for what can truly be a life-changing event in their life.

WAIVER

First, I completely understand that travel and living in the country can be risky and dangerous. For example, I realize that the weather can drastically change, trails may not be maintained, horses are unpredictable, travel and conditions are rough, dangerous, and tiring, and we will be many miles from roads where help and medical attention would be available. Second, I understand that these risks, dangers and hardships cannot be controlled or eliminated, even with careful planning, experience, foresight, and alertness on your part. I understand that you cannot guarantee my safety or well-being, and do not provide helmets, I am responsible for bringing my own.

Completely understanding this and more, I assume all dangers and risks involved in my child's trip with you. Further, I totally release and discharge you, your business, employees, and the like from liability and damages as a result of any bodily or personal injuries or property damage or death incurred by me in connection with my child's trip, regardless of whose fault or negligence, if any, it is and even if the fault or negligence is yours, or that of your business, employees or agents. **WARNING:** Under Wyoming Law, an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to W.S. 1-1-126. We are not responsible for lost or damaged belongings. Check your homeowner's insurance policy for coverage or buy trip insurance.
