We are looking for hard working, positive team players who are eager to learn and to be contributing members of our ranch community. The Triangle C Ranch experience offers staff/volunteer members an opportunity for personal growth and development that is not found in most work environments. Staff members receive housing, meals, and use of ranch facilities, along with a monthly salary and ability to earn an end of season bonus (if qualifications are met.) Housing is basic and may be shared with other staff. As a team member, you will work hard and work until the job is finished. The length of your work hours may vary from day to day, and our work week is Monday – Saturday. At times you will be expected to assist in other departments for the success of the ranch and guest satisfaction. Staff members are required to dress in western wear (e.g., button up shirts, belts and boots, etc.) during work hours.

The Triangle C Ranch is a drug-free and non-smoking workplace. If violated, contracts may be terminated.
